issuing a notice and having it served on the respondent in the manner provided for service by the Director in § 509.11 of this part;

(b) *Contents of notice.* The notice must set forth: (1) The legal authority for the proceeding and for the Office's jurisdiction over the proceeding;

(2) A statement of the matters of fact or law showing the Office is entitled to issue an Order finding, for purposes of section 10 of the HOLA, other than subsections (c), (d), (f), (h)(2), (m), (n), (q) and (s), the respondent to be directly or indirectly exercising a controlling influence over the management or policies of a savings association or savings and loan holding company;

(3) A proposed Order;

(4) A statement that the respondent must file an answer and, if it so desires, request a hearing within 20 days of service of the notice; and

(5) The time and place of the hearing if one is properly requested by the respondent.

§ 509.203 Answer, consequences of failure to answer, and consent.

(a) *Content of answer.* (1) An answer must specifically respond to each paragraph or allegation of fact contained in the notice and must admit, deny, or state that the party lacks sufficient information to admit or deny each allegation of fact. A statement of lack of information has the effect of a denial. Denials must fairly meet the substance of each allegation of fact denied; general denials are not permitted. When a respondent denies part of an allegation, that part must be denied and the remainder specifically admitted. Any allegation of fact in the notice which is not denied in the answer must be deemed admitted for purposes of the proceeding. A respondent is not required to respond to the portion of a notice that constitutes a prayer for relief or proposed Order.

(2) If a respondent does not contest the allegations in a notice, the respondent may file an answer that contains only a statement that the respondent consents to the entry of the proposed Order. At any time thereafter, the proposed Order may be issued as a final Order.
